Missionary Moment for July

Last month, the middle school youth went on a mission trip with Passport, a youth camp that combines worship, training, and mission opportunities into one very full week of service. While this week makes a great impact in the lives of our teens each year, the ministry of Passport reaches much farther than a one week-long mission camp for teens. As our teens return, Passport is just getting started on the summer schedule including over 30 camps and trips around the country for students beginning in 3rd Grade. Elementary students are taught about missions through hands-on interactive training in their camp environment at PASSPORT kids. PASSPORT missions and PASSPORT choices are camps for middle and high schoolers that include more

opportunities to put training into practice through service. Passport’s Mission BASE mission trips take students into large city environments allowing for an immersive experience into the culture and realities of communities such as Birmingham, Atlanta, Memphis, and Washington D.C. Passport also has a global impact through their project, “Watering Malawi”, which seeks to provide access to clean water, sanitation, and irrigation systems for rural communities in Malawi. Please be in prayer for the impact of this ministry as they continue their work through the month of July and into August.

Receiving of Tithes and Offering

Offertory **“When the Saints Go Marching In”** ARR. KESSLER

Doxology Praise God from whom all blessings flow.
 Praise Him all creatures here below.
 Praise Him above, ye heavenly hosts.
 Praise Father, Son and Holy Ghost. Amen.

Anthem **“Creation Will Be At Peace”**
 (Isaiah 11:6-9)

In the holy mountain of the Lord all war and strife will cease;
In the holy mountain of the Lord creation will be at peace.
The wolf will lie down with the lamb, the cow and bear will feed;
Their young will play together; a little child will lead.

The leopard and goat will graze, the lion will feed on straw.
They will war no more, a child will lead them all, will lead them all.

NOTES FROM THE PAST

Glen Allen My Community, Part 4:

The records of Henrico County show that on May 2, 1713 William Sheppard and Robert Baker were granted 400 acres in the County of Henrico on the Southside of the main branch of the Chickahominy Swamp for importing certain persons. This is believed to be the Manghan Farm together with that now owned by E. C. Creery, the farm of Mrs. Greenhow Johnston, and Meadow Farm, now owned by Colonel Sheppard Crump. The date of these houses are not known. The Manghan Farm is probably the oldest house in this neighborhood. This quaint house with its antique furniture, the old boxwood of unusual size, and the old Indian Spring are well worth seeing.
